Welcome Back!

Welcome to the 2009-10 school year! We had a successful Extended School Year program with 29 students in attendance. They enjoyed fun activities such as swimming and field trips.

This school year has started with 43 students, with some new faces among them. We also want to welcome new staff to the Brookfield family. Welcome Miss Sara, Mr. Rich, and Mr. Mike!

Mr. Jeff and Mr. Brett's classes had their first field trip of the year to Johnson's farm. The students got to take a hayride, pick apples, enjoy lunch, and feed some animals. A good time was had by all!

Brookfield also has a school wide monthly theme for the students' writing assignments. This month's theme was "all about me". You will see in this newsletter some of the students interesting answers to questions about themselves.

The students are looking forward to October when they will have fire prevention week and the book fair. We will also hold our Back to School night on October eighth when parents will have the opportunity to meet and speak with teachers and therapists.

We know we will have a great school year! Woo Hoo!!!

Welcome back to Brookfield!

We're off to a great start here at Brookfield Elementary, and we're looking forward to a fabulous school year. We've welcomed new teacher, Mike Barnes, who is full of great ideas for activities. We've just begun work on our holiday show with Ms. Elizabeth from Perkins. Our show this year will feature giant puppets. We've also welcomed the opportunity to develop our artistic skills with Ms. Lilia. Mr. Mike, the gym teacher, has planned some fun group activities for us

already on Thursdays, which have required us to forge our teamwork skills. This year you'll notice that our students and teachers are doing a lot of writing. In September, all students wrote on the topic "All About Me". October brings us the theme of "Mystery", which provides countless interesting writing projects to explore. So to all staff and students, welcome back, and we hope you enjoy this year's adventure!
